**PROGRAM MANAGEMENT, FINANCIAL MANAGEMENT,  
BUSINESS & PROCESS TRANSFORMATION**

## COMPANY OVERVIEW

Since 2017, Miles Parks Group has delivered embedded program management, business process transformation, and operational support to nonprofits and commercial clients. As a certified WOSB, SDVOSB, and MBE, our professionals integrate directly into client operations to lead initiatives, build systems, and drive results. Founder Karis Miles brings 16 years of operational leadership experience, including a federal acquisitions background, giving MPG firsthand fluency in how government contracts are structured, executed, and measured.
